Minimal contentBy SusanI made the mistake of buying this thing as a book. really ought to allow it to be downloaded for free as a PDF. This is the thinnest book I have ever seen, and was only a 5 minute "read." Found nothing of value in it, though it might have been of minimal use if I had a Smart Phone. It is going back.0 of 0 people found the following review

helpful. Excellent and extremely informative bookBy Kate S.Excellent and extremely informative book. If you are looking to learn more from basic to advance as how to use Fire Stick, this is the only book you'll need. Easy to read and follow and you don't have to have technical background to understand. Strongly recommended.0 of 0 people found the following review helpful.
