By GoldenGuy22Very simplistic instructions, of little help
0 of 0 people found the following review helpful. the book pretty much tells you nothing
By MiniBoyThis was one of my most disappointing purchases in a long time. My thoughts were that it was written by someone at , as it regards the TV Fire Stick .. Wrong .. written by an independent tinkerer, with not a single illustration or hookup diagram .. the book pretty much tells you nothing .. Russ Pratt, Webster, MA

Fire Stick The Complete User Guide And Manual - Learn How To Start Using Amazon Fire Stick, Plus Advanced Tips And Tricks! The Firestick is a small HDMI-based device that utterly transforms your TV into a powerful and versatile tool. Through the Firestick you can access the internet, play games and apps, listen to music, watch video and much more. Yet with all this power, it can be easy to get lost and confused. This eBook breaks down all the various features and aspects of the Firestick, explaining how to use the Firestick in straight-forward and concise paragraphs. There are two chapters in this book. The first chapter deals with the essentials of the Firestick, such as setting up your device, registering your device, explaining the Firestick remote and all the different options on both the main menu and the system menu. The second chapter delves into a wide array of tips and tricks to take your Firestick to the next level. From mirroring devices, to sideloading and using neat apps like BBC iPlayer, you will discover the massive potential of the Firestick.
