Jordan Pittman : Fire TV Stick: The Amazon Fire TV Stick User Guide and Manual (Fire TV Stick Owner's Manual, Complete 2016 User Guide, Steaming Devices Movies TV Apps Games) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire TV Stick: The Amazon Fire TV Stick User Guide

and Manual (Fire TV Stick Owner's Manual, Complete 2016 User Guide, Streaming Devices Movies TV Apps Games):

0 of 0 people found the following review helpful. Fire Stick: watch out! Not all they are cracked up to be. By bjam Hasn't really worked well since I bought it. I sent several emails. To their benefit, they answered, BUT, never did replace it. It continues to skip and the talking doesn't match the speaking of the movie. I will not buy another. 3 of 4 people found the following review helpful. Don't waste your time on this "Users Guide" By BC2I bought this with hope but lost all of it within the first two or three pages!! It doesn't provide even the most basic help to a user and does not contain even a single example that might help. I actually read the whole book still hoping there would be at least one small bit of useful information and I wasted my time. Don't waste yours. 0 of 1 people found the following review helpful. A very helpful guide to read. Fire stick for ... By Steve WA very helpful guide to read. Fire stick for our television for me is a necessary device for our TV but because of my many updates and applications of advanced technologies I am no longer familiar with but with this book, it helped me to familiarize the function even to the last buttons. The author completely described each function and very comprehensive to understand. I wish most guides should be as comprehensive as this one.
