Bruce R. Fox, John J. Murray : Fisher-Price: Historical, Rarity, and Value Guide, 1931-Present, Updated 3rd Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fisher-Price: Historical, Rarity, and Value Guide, 1931-Present, Updated 3rd Edition:

0 of 0 people found the following review helpful. Five Stars By mark schmidt the wife loves her book 0 of 0 people found the following review helpful. Five Stars By Lisa Patterson Great resource for getting the history and value in a reader-friendly format. 0 of 0 people found the following review helpful. Good book By Julie Cad Very helpful especially if you want to sell or collect Fisher Price toys. I was able to identify everything my parents gave me in the 1970's. I wish someone would update this to bring it more current than 2000.

This must-have book written by the two foremost Fisher-Price historians and collecting experts is a comprehensive look at the colorful history and even more colorful playthings produced by the world's largest manufacturer of preschool toys. Features more than 150 color photos of toys made from 1931 to the present, as well as detailed information on more than 3,000 toys, including toy names alphabetized by year, toy identification numbers, number of years made, special remarks, and a value range from good to mint condition. Includes comic characters, vehicles, dolls, Little People[registered], and more! Also includes a special dedication by the company CEO, consumer testimonials, company milestones, founders' biographies, year-by-year historical and toy line descriptions with decade summarization, catalog covers, and more.

About the AuthorCo-authors Bruce R. Fox and John J. Murray have been employees of Fisher-Price for a combined 52 years and are collectors themselves.
