Audio part in the end of the book is Cherry on top ^_^ :DBy Customer"Since I had a mere foundation course in French back in 2011,I was a bit familiar with the language. As last few years I didn't get the chance to practice this language anymore and lack of having practice,I totally had to start

from the beginning. I got some leisure and I really wanted to get a hold of this Language once again, as I loved it while taking the course. I was looking for something easy to brush up my previous learning. My Friend suggested me some of the Ebooks, among those, I found the book named - Fluent in French. Honestly, I found it a complete study guide to learn French once again after so many years. I decided to purchase this book as I really found this language interesting years back. Going to any learning school was not a possible thing to apply so I took a chance of buying the book and learn the language on my own effort and convenience. The overall setup of the book, starting from its cover to the study plan is really appealing which actually increased my enthusiasm for learning French. The contents of the book gave me a clear concept of the whole procedure. The guideline provided through all the chapters helped me to proceed with an ease. The 7day plan was quite tough for me to follow, yet that's a very stimulated way to get a hold over the language in the long run. The 12 chapters assembled the language with all its grammar tips in a perfect manner. At least, I have regained the Language the way I wanted. The best part of buying the book is the additional Audiobook, in the end, which helped me to get rid of the confusion regarding pronunciation. The book had some wonderful reference in between every chapter, I think that helped me to improve my learning even more. Buying the book with such a reasonable price is something worth spending than any boring lectures for hours. Je vous remercie to the author of "Fluent in French" :) "0 of 0 people found the following review helpful. I love this book By rohnna I went to France years ago because of work and I must say I fell in love with the language. Though I don't really speak/read French, I was really interested in learning the language; I was searching for a book for a while and thankfully, with raving customer reviews, I found this book. This book does not only make learning the language interesting but really aims to teach the language in the most efficient manner. Every chapter makes learning very easy and the guide towards learning is simply inspiring. The audiobook is definitely a plus. Will definitely recommend this book to anyone who wants to learn French in the most effective way possible. 3 of 3 people found the following review helpful. Very useful book By Customer I highly recommend it. Very good, very useful.

The Ultimate French Language Study Guide. Some results you can expect from this book: Keep your motivation high: you'll maximize your motivation while you study until you reach fluency. Get your copy now!

I've studied French for about one year now and have found this book to be a fantastic explanation that seems to be missing in both my college French courses and also the language school I attend. A super valuable book to my studies, I wish I had purchased it sooner. I read it, reference it, and though it is foundational- I find it quite useful to get through new planes of my french language development when I am brain drained. About the Author Frdric Bibard is the founder of TalkInFrench.com, a French language and culture website named as the #1 language blog in the 2016 Best Language Learning Blogs by bab.la and Lexiophiles. He spent several years teaching French while traveling abroad and has since moved back to Paris to dedicate his time TO developing fun and helpful French language resources. He takes food seriously (he is French after all), but he complements it with a love of running which allows him to nurture his passion for good food while staying in shape. Say hello to him on Twitter (@fredericbibard) and Google+ or visit his website www.talkinfrench.com.
