David W. Stewart, Prem N. Shamdasani : Focus Groups: Theory and Practice (Applied Social Research Methods) before purchasing it in order to gage whether or not it would be worth my time, and all praised Focus Groups: Theory and Practice (Applied Social Research Methods):

1 of 1 people found the following review helpful. Good theoretical approachBy CustomerA bit too theoretical for me. More concrete examples would be welcome

The fully updated Third Edition of *Focus Groups: Theory and Practice* offers a unique blend of focus group theory and practice in a single, easy-to-read source. It provides systematic treatment to the design, conduct, and interpretation of focus group data within the context of social science research and theory. Known for accessibility and step-by-step guidance, comprehensive treatment, and historical perspective, the book examines every facet of focus group research, from the selection and recruitment of group participants, to the selection of a moderator and conducting of interviews, to the analysis of focus group data. The Third Edition reflects the growing use of focus group research to address an increasingly broad array of issues that have a global span, and also provides more guidance on conducting virtual focus groups.

About the Author David W. Stewart, Ph.D. is Presidents Professor of Marketing and Law at Loyola Marymount University and the current editor of the *Journal of Public Policy and Marketing*. Dr. Stewart has previously served as a member of the faculty of the Owen Graduate School of Management at Vanderbilt University, the Marshall School of Business at the University of Southern California, and the University of California, Riverside. In addition to his responsibilities as a faculty member Dr. Stewart has served in a number administrative roles in higher education. He is a past editor of both the *Journal of Marketing* and the *Journal of the Academy of Marketing Science*. He has served on the Board of Governors of the Academy of Marketing Science and as Vice President, Finance and a member of the Board of Directors of the American Marketing Association. He has also served on the Board of the AMA Foundation. He is a past-president of the Academic Council of the American Marketing Association, a past chairman of the Section on Statistics in Marketing of the American Statistical Association, a past president of the Society for Consumer Psychology and a Fellow of both the American Psychological Association and the Association for Psychological Science. He is also a former member and past-chairman of the United States Census Bureaus Advisory Committee of Professional Associations. Dr. Stewart has authored or co-authored more than 250 publications and eight books. Dr. Stewart's research has examined a wide range of issues including marketing strategy, the analysis of markets, consumer information search and decision making, effectiveness of marketing communications, public policy issues related to marketing and methodological approaches to the collection and analysis of marketing data. His research and commentary are frequently featured in the business and popular press. A native of Baton Rouge, Louisiana, Professor Stewart received his B. A. from the Northeast Louisiana University (now the University of Louisiana at Monroe) and his M. A. and Ph.D. in psychology from Baylor University. In 2007, Dr. Stewart was awarded the Elsevier Distinguished Marketing Scholar Award by the Society for Marketing Advances and in 2006, Dr. Stewart was honored by the Academy of Marketing Science with the Cutco/Vector Distinguished Educator Award for lifetime contributions to marketing. In 2005, he received the Omicron Delta Kappa Men of Merit Award from his alma mater, Baylor University. Professor Stewart has also been honored for innovation in teaching by the Decision Sciences Institute and he was a member of a four-person faculty team honored by the U.S. Distance Learning Association for the Best Distance Learning Program 1996 -- Continuing Education in 1996. In 1998, he received the American Academy of Advertising Award for Outstanding Contribution to Advertising Research for his long-term contributions to research in advertising. His paper on warning messages was named the best paper published in the *Journal of Public Policy and Marketing* during 1992-94 and, he was recipient of the American Academy of Advertising Award for best paper in the *Journal of Advertising* in 1989. In 1988 he was Marketing Science Institute Visiting Scholar at the General Motors Corporation. He was included in *Whos Who in America*, *Whos Who of the World*, *Whos Who in American Education*, and *Whos Who in Advertising*. Professor Stewart's experience includes work as a manager of research for Needham, Harper, and Steers Advertising, Chicago (now DDB) and consulting projects for a wide range of organizations. Among the organizations for which Dr. Stewart has consulted are Hewlett Packard, Agilent Technologies, the Coca-Cola Company, Hughes, NCR, Texas Instruments, IBM, Intel, Cadence Design Systems, Century 21 Real Estate, Samsung, American Home Products, Visa Services, Xerox, the U. S. Census Bureau and the United States Federal Trade Commission, among others. He has served as an expert witness before the Federal Trade Commission, in United States Federal Court, and in State Courts in cases involving deceptive advertising claims and unfair business practices, in matters related to trademarks and intellectual property, and in anti-trust actions. Professor Stewart has delivered executive education programs throughout the United States and in twenty other nations on four continents.

Prem Shamdasani, Ph.D. is Associate Professor of Marketing; Associate Dean, Executive Education; Academic Director, Asia-Pacific Executive (APEX) MBA Program; Co-Director, Stanford-NUS Executive Program in International Management Program and Director, Advanced Management Program at the NUS Business School, National University of Singapore.
