Everyone Will Want to Borrow It ! ! ! !By Maryann PikeThis coffee table book is perfection. Michael Ringer's art graces the pages. A lone fisherman, an ocean liner running at night, a field of wild flowers, an island covered in pines, his art oozes the secrets of the River.Antique boats, river skiff's and summer camps - a place where time stands still. A book for anyone who loves a river, fishing, ships, boats and islands.And even better for those who've never been so lucky. May you discover a new world.
