**George E. Turner, Michael H. Price : Forgotten Horrors: The Definitive Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Forgotten Horrors: The Definitive Edition:

8 of 9 people found the following review helpful. One of the all time great film booksBy Eric MillerThis is seriously the best book on movies I've ever read. With a few exceptions--"White Zombie," "Murder by Television"--these films are totally unknown. Until now. Every movie in here was put out by the lesser-known studios-- Monogram, Mascot, Chesterfield, ect. The book covers a wide range of sub-genres, from jungle exploitation films to action serials to sinister westerns, so long as there are vague horror elements. The authors have done a great service, and their writing style is very eloquent. By all means purchase this and seek out some of these films. 7 of 9 people found the following review helpful. Excellent overview of some forgotten filmsBy A CustomerIf you love obscure

,low budget movies,this is the book for you.It's obvious that the authors have a great deal of affection for these movies.My only complaint is they include a few too many movies that aren't really horror in my opinion-westerns with some spooky touches,etc.All in all,though,this is an excellent book.

Turner and Price turn back the curtains of obscurity and peer into Hollywood's Forgotten Horrors in this long awaited update to their original ground-breaking work. The authors do their best to expose Grim Reapers such as Ghosts, Phantoms, Jungle Manglers and Old-fashioned Murderers as they examine Cinematic Horrors from 1929 through 1937 in *Forgotten Horrors: The Definitive Edition*.

From the PublisherTurner and Price turn back the curtains of obscurity and peer into Hollywood's Forgotten Horrors in this long awaited update to their original ground-breaking work. The authors do their best to expose Grim Reapers such as Ghosts, Phantoms, Jungle Manglers and Old-fashioned Murderers as they examine Cinematic Horrors from 1929 through 1937 in *Forgotten Horrors: The Definitive Edition*.About the AuthorGeorge E. Turner is the former editor of *American Cinematographer* and has written a number of books including *The Making of King Kong*. Michael H. Price is a former film critic and has written several books and contributed to *Midnight Marquee Press' Lon Chaney, Jr.*, and *It's Christman Time at the Movies*.
