Sidney P. Seligson : Fostoria American: A Complete Guide (3rd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fostoria American: A Complete Guide (3rd Edition):

17 of 17 people found the following review helpful. BEST AND EASIEST GUIDE ON FOSTORIA AMERICAN By Connie L Pearce This is absolutly the most complete and easiest to follow price and identification book on the market. I own 4 others and none can come close to this one. Everything is pictured, numbered, rated and discussed. this deserves 10 stars for the late Sidney Seligson! We will miss his knowledge and kindness! 51 of 53 people found the following review helpful. Excellent resource for Fostoria "American" collectors! By Phil Cherry This volume has the MOST COMPLETE list of the "American" pattern in a single volume. There are pictures of almost every piece produced, many of which the novice collector may never see in person. The price list is complete as well, and are basically accurate for the current market. Excellent informational section on the variations and the relationships between pieces and molds. This edition also includes useful information on the other patterns by other manufacturers

that are often mistaken for "American". A "MUST" for the serious collector of the "American" pattern by Fostoria. 6 of 6 people found the following review helpful. Absolutely the Best Info. on American Pattern Only! By Max Hoffman This is a must for serious collectors. It has saved hundreds of times the price. There are many glass pieces out there called "American Fostoria" that are not. The description and pictures make it much easier to tell the real items. The prices are quite accurate, but seem to be quite low on the really rare ones.

This volume has the MOST COMPLETE list of the "American" pattern in a single volume. There are pictures of almost every piece produced, many of which the novice collector may never see in person. The price list is complete as well, and are basically accurate for the current market. Excellent informational section on the variations and the relationships between pieces and molds.
