Steven J. Molinsky, Bill Bliss : Foundations (2nd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Foundations (2nd Edition):

Foundations, Second Edition, by Steven J. Molinsky and Bill Bliss, is an all-skills, standards-based program for low-beginning learners of English. Its simple format, easy-to-use photo dictionary lessons, and dynamic communication activities offer students a motivating introduction to basic English for essential life skills. The program builds a language foundation to prepare students for future success at the Book 1 level of instruction.
