Phil Mansell : Framework: Prepare Yourself for Job Interviews (Framework Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Framework: Prepare Yourself for Job Interviews (Framework Guides):

This is a guide to use throughout your career to help you achieve what you want. It will help you:* evaluate the material you are sent by a prospective employer* make your application;* prepare for and make a preliminary visit;* prepare for the selection process;* succeed on the day of the interview;* learn from your experiences.
