It is a pretty good book and I'd recomend it to anyone who has trouble standing up to bullies. This book also made me laugh all over. Read it today!2 of 2 people found the following review helpful. A Fun BookBy Jill GoldenbergI found this book quite amusing, it is full of interesting stories and quotes, but it got slightly boring as it neared the end. All in all a good purchase.

Hundreds of quotations from such masterful quip artists as Dorothy Parker, Winston Churchill, and Groucho Marx feature some of the most clever zingers--fictional and real--of all time. 20,000 first printing.
