Alex Graham : Fred Basset Yearbook 2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Fred Basset Yearbook 2013:

Its hard to believe that Britains best-loved canine hero will be celebrating the big five-oh in July 2013, but this years annual collection of the best of the Daily Mails popular comic strip shows Fred is as young at heart as ever. Freds dry wit and cheeky shenanigans will keep you laughing all year round.
