A great many website URLs are featured in Free Stuff Good Deals For Your Kids, so it's especially recommended for households with online access, but many traditional post office addresses are included as well. 8 of 8 people found the following review helpful. Great Ideas that Kids will Love as much as Parents.....By A Customer I was amazed when I saw the number, quality and value of the FREEBIES that were listed in the book. As parents, we often think that the more an activity or item costs the better it is, but, this is not true. There are so many quality fun and educational items and activities for kids, it will be a long time before I pay substantial \$\$ again. I can't wait to see the other books that Linda Bowman has written about Freebies for Seniors, Pets, and on the Internet. 4 of 4 people found the following review helpful. Great Gift By Nancy Stokesberry As an eager grandmother-to-be, I thought this book would be a great gift for my son and other young families looking for ways to save money. I have read other "Free Stuff Good Deals" books by this author and have never been disappointed yet. Always good value!
