From Carson-Dellosa : French I, Grades K - 5 (Skill Builders) before purchasing it in order to gage whether or not it would be worth my time, and all praised French I, Grades K - 5 (Skill Builders):

13 of 13 people found the following review helpful. Colorful, fun elementary school vocabulary workbookBy mamasmilesThis is a lovely, colorful skill building (vocabulary building) French exercise book for young children! I photocopy the pages for my kids, and my kindergartner, first grader, and third grader all enjoy completing the

exercises in this book. I have bought a few French workbooks for this age range, and this is our current favorite. 10 of 10 people found the following review helpful. Bonjour By STACY Good book. I was hoping it would be larger - 8.5 x 11 overall so that my Kindergartener and Second Grader could write easier on the worksheets. The worksheets were not plentiful, but the vocabulary was good. 1 of 1 people found the following review helpful. good for VERY New learners/kids By vmkhaze Good book with good activities but a little too easy for me. I was looking for something slightly more advanced. Still happy with it because some practice is better than no practice.

Skill Builders are great tools for keeping children current during the school year or preparing them for the next grade level. A variety of fun and challenging activities provides students with practice and helps introduce basic skills to new learners. This full-color workbook contains appropriate passages and exercises for elementary French language learners. Skill Builders combines entertaining and interactive activities with eye-catching graphics to make learning and reviewing fun and effective. The compact 6" x 9" size makes this book perfect for school, at home, or on the go. It features 80 perforated, reproducible pages and an answer key.

From the Back Cover Skill Builders: French I for grades K5 helps children master essential French vocabulary. With more than 70 pages of activities, French I includes topics such as colors and numbers, food, the weather, family members, animals, and parts of the body. The book's colorful, inviting format, easy-to-follow directions, and engaging illustrations help build children's confidence and make learning French more accessible and enjoyable. The Skill Builders series promotes the development of essential, grade-specific skills. Each book provides focused practice and includes examples and explanations of new skills. Activities follow a natural skill progression and align with state and national standards. By building upon already learned material, each book in the Skill Builders series motivates children while reinforcing the concepts needed for academic success.
