helpful in learning the Cockney dialect. It provides the slang terminology along w/ detailed explanations of the meanings of each term. You will still need a CD to actually hear the accent, but this book provides just about all the words expressions you'll need to speak authentic Cockney fluently enough.

In the best-selling COCKNEY RABBIT, Ray Puxley compiled the definitive Dick 'n' 'Arry of cockney rhyming slang. With his inimitable blend of humor and facts, he serves up FRESH RABBIT, a kotchel of contemporary rhyming slang straight from the streets. Gathering the funniest and most widely-used phrases of this new generation of expressions, and with Melvyn Bragg, Anthea Turner, Gianluca Vialli and even Holyfield's ear making an appearance, FRESH RABBIT is unlike any dictionary you've ever read. Try it and bunny like a native.
