**Mandee Heller Adler, Aimee Heller : From Public School to the Ivy League: How to get into a top school without top dollar resources** before purchasing it in order to gage whether or not it would be worth my time, and all praised From Public School to the Ivy League: How to get into a top school without top dollar resources:

4 of 4 people found the following review helpful. Great book - great advice!By Education RocksThis is a wonderful

resource for students and families navigating the increasingly complicated and stressful world of college admissions. The college application process is so different from when I applied, and there are so many more parts to it. It's great to have a guide that's clear, concise, and well-written. This book can help anyone - whether coming from a public or private school - or even home-schooled. And the advice it provides can help students apply to Ivy League schools and beyond. I especially love the templates in the book; they are extremely useful. 5 of 5 people found the following review helpful. Must have guide! By meldeiry This is the perfect book to guide your student through high school to maximize her chances of getting into the college of her dreams! Buy this book when your student is in middle school, and use it as your bible to guide you through decisions about courses to take, activities to get involved in, summer programs that can make your application stand out, and finally, how to package it all in an application that gets you into the school of your dreams! Mike Eldeiry Premiere Test Prep Expert in Broward County... 4 of 5 people found the following review helpful. Do you want to get into an Ivy League school? This book will help you! By Laura This book is well written and easy to read. It works whether you read it cover-to-cover or use it as a topical reference guide. Getting into a top school is absolutely possible, even without huge financial resources. The admissions process can be daunting, and this book gives much-needed guidance across everything from application essays and interview prep to SATs and social media. The advice is practical and goes well beyond obvious suggestions. The book also provides answers to questions like Why do private schools have higher acceptances into the Ivy Leagues than public schools with similarly rigorous academic standards? It provides strategies for competing with the college counseling offices of the best private high schools. For anyone who wants to get into an Ivy League school, this book is well worth it. Great explanations and insights into the admissions process ... from an author who has walked the talk successfully!

Public school students CAN go to Ivy League schools. Do students really need the dedicated attention of a private school counselor in order to gain admissions to elite universities? What's the secret? Gain the tools and resources needed to compete with the world's top private school college counseling offices. Learn what you need to do in high school in order to stand out and to make a college want you. Recognize how to choose a school for yourself that suits your own needs and goals. Put your best self forward on college applications, in interviews, and during school visits. Know how to get your college experience paid for by others. Are you ready? Expert college counselor Mande Heller Adler, founder of International College Counselors and graduate of the University of Pennsylvania and Harvard Business School, will help you help yourself in an easy-to-follow way. The secret is that you don't need deep pockets or a private school education to reach the Ivy League all you need is a little moxie, advanced planning, and this book!

About the Author Mande Heller Adler is the Founder and Principal of International College Counselors, one of the world's largest and most successful college and graduate school admissions counseling businesses. She graduated from the University of Pennsylvania with Honors and two degrees before receiving an MBA from Harvard Business School. She has personally helped hundreds of students around the world find, apply to, and gain acceptance into college. Mande lives in South Florida with her husband and two daughters.
