**Sarah Lynn, Lisa Johnson, Marjorie Fuchs, Irene E. Schoenberg, Margot F. Gramer : Future 1 package: Student Book (with Practice Plus CD-ROM) and Workbook (Future English for Results)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Future 1 package: Student Book (with Practice Plus CD-ROM) and Workbook (Future English for Results):

0 of 0 people found the following review helpful. Five StarsBy michaelPerfect!2 of 2 people found the following review helpful. Intertesting and challengingBy Doris W.Have ttaught ESOL for years. This series for adults is interesting, variety of activities and challenging enough to manitain the interest of the students.0 of 0 people found the following review helpful. Five StarsBy Fouzya AlradiGood very good

Future's research-based, comprehensive curriculum empowers learners with the academic, workplace, and media literacy skills they need to get ahead.Future prepares students with 21st century skills, helping them transition to further education or career training. Student book with Interactive Practice Plus CD-ROM enables learners to persist by providing multiple pathways to learning. Built-in multilevel instruction ensures the success of every student. The Practice Plus CD-ROM included with the Student Book is an extraordinary tool for individualizing instruction. It allows students to direct their own learning, working on precisely what they need and practicing what they choose to work on as many times as they like. In addition, the CD-ROM provides all the audio files for the book, enabling

students to listen as they wish to any of the material that accompanies the text. Future is a six-level, four-skills course that empowers learners with the academic and workplace skills they need to get ahead by helping them transition to further education or career training.

Future is a six-level, four-skills course that empowers learners with the academic and workplace skills they need to get ahead by helping them transition to further education or career training. About the Author Sarah Lynn's three young sons taught her how to race toy cars. Together they've used their imaginations to create roads everywhere (couch, kitchen floor, dirt, sand, rug, and the bathtub, just for starters.) The idea for 1-2-3 Va-Va-Vroom! came to Sarah when she was teaching her oldest son to write numbers. They began imagining the pencil as a car drawing its own track. Those vroom-vroom sounds made writing numbers so much more fun. Sarah is also the author of Tip-Tap Pop, illustrated by Valeria Docampo. She lives with her family in Camarillo, California.
