Sarah Lynn, Wendy Long, Janet Raskin : Future 2 package: Student Book (with Practice Plus CD-ROM) and Workbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Future 2 package: Student Book (with Practice Plus CD-ROM) and Workbook:

0 of 0 people found the following review helpful. easy to use format that is geared for easyBy David L. Granquist Future 1 2 and 3 offer outstanding practical English in an A+ attractive, modern, easy to use format that is geared for easy, useful, adult practical communication and conversation. In my 13 years of teaching beginning and low intermediate English in classes and tutoring, this is by far the best ESL series, especially for immigrants. Some homemade supplemental vocabulary lists and conversational dialogue can be useful, but not essential. Previous teaching experience is always helpful, but not essential. David's wife Kathryn 0 of 0 people found the following review helpful. Five Stars By Customer good 0 of 0 people found the following review helpful. Four Stars By eyepatch We teach 60 ESL students from 12 countries and they find this series quite helpful.

Future's research-based, comprehensive curriculum empowers learners with the academic, workplace, and media literacy skills they need to get ahead. Future prepares students with 21st century skills, helping them transition to further education or career training. Student book with Interactive Practice Plus CD-ROM enables learners to persist by providing multiple pathways to learning. Built-in multilevel instruction ensures the success of every student. The Practice Plus CD-ROM included with the Student Book is an extraordinary tool for individualizing instruction. It allows students to direct their own learning, working on precisely what they need and practicing what they choose to

work on as many times as they like. In addition, the CD-ROM provides all the audio files for the book, enabling students to listen as they wish to any of the material that accompanies the text. Future is a six-level, four-skills course that empowers learners with the academic and workplace skills they need to get ahead by helping them transition to further education or career training.
