Everything came in as well. The cd, and both books were there. AS far as the content well it looks like it will be very beneficial for my wife who is trying to learn english. This was the best price I found for the complete set brand new. 0 of 0 people found the following review helpful. Five Stars By Zemo261 Our staff and students love this book as a tool to help them teach and learn English! 0 of 0 people found the following review helpful. Five Stars By Carla M. Excellent

Future's research-based, comprehensive curriculum empowers learners with the academic, workplace, and media literacy skills they need to get ahead. Future prepares students with 21st century skills, helping them transition to further education or career training. Student book with Interactive Practice Plus CD-ROM enables learners to persist by providing multiple pathways to learning. Built-in multilevel instruction ensures the success of every student. The Practice Plus CD-ROM included with the Student Book is an extraordinary tool for individualizing instruction. It allows students to direct their own learning, working on precisely what they need and practicing what they choose to work on as many times as they like. In addition, the CD-ROM provides all the audio files for the book, enabling students to listen as they wish to any of the material that accompanies the text. Future is a six-level, four-skills course

that empowers learners with the academic and workplace skills they need to get ahead by helping them transition to further education or career training.
