Mark Juergensmeyer : Gandhi's Way: A Handbook of Conflict Resolution before purchasing it in order to gage whether or not it would be worth my time, and all praised Gandhi's Way: A Handbook of Conflict Resolution:

2 of 2 people found the following review helpful. Gandhi's Way is a superb book!By Kathryn AlleghenyGandhi's Way, A Handbook of Conflict Resolution is superbly written showing a masterful knowledge and appreciation of Mahatma Gandhi, whose principles still inspire a world to find a better way out of conflict. the author show a profound understanding of Gandhi and his principles. As a clinician who treats couples in conflict, I am indebted to Mark Juergensmeyer for providing me with tools to assist my clients toward more helpful solutions.0 of 0 people found the

following review helpful. Five StarsBy CustomerThis book is wonderful. I like it so much. Also, the price is very satisfied.0 of 2 people found the following review helpful. peace and goodBy R. M. RussellI ordered it during Christmas holiday so it took some time to arrive, but when I got it, the book was in perfect condition and I got to read it.

Gandhis Way provides a primer of Mahatma Gandhis principles of moral action and conflict resolution and offers a straightforward, step-by-step approach that can be used in any conflict-at home or in business; in local, national, or international arenas. This invaluable handbook, updated with a new preface and a new case study on terrorism in Northern Ireland, sets out Gandhis basic methods and illustrates them with practical examples. Juergensmeyer shows how parties at odds can rise above a narrow view of self-interest to find resolutions that are satisfying and beneficial to all involved. He then pits Gandhis ideas against those of other great social thinkers in a series of imaginary debates that challenge and clarify Gandhis thinking on issues of violence, anger, and love. He also provides a Gandhian critique of Gandhi himself and offers viable solutions to some of the gaps in Gandhian theory.Gandhis Way: A Handbook of Conflict Resolution was previously published as Fighting with Gandhi and Fighting Fair.

"This is a manual of instruction in the best sense: a popular reassessment of the activist use of "satyagraha in conflict resolution that has depth and a true appreciation for the ethical subtleties of dialectical struggles, and for the multiple dimensions of 'passive resistance.'"--"Library Journal"A fascinating, thought-provoking, helpful, and heartening book."--Marjorie Lewellyn Marks, "Los Angeles Times "Juergensmeyer's book is something of a Gandhian tour de force--a careful analysis and series of applications of Gandhi's concepts of "satyagraha...to everyday situations with which most Western readers are familiar."--Joe Elder, "Religious Studies "A crisply written, cogently argued little manual exploring the practical implications of "satyagraha (truth force)."--"Kirkus sFrom the Inside FlapA fascinating, thought-provoking, helpful and heartening book.Los Angeles TimesJuergensmeyers book is something of a Gandhian tour de force a careful analysis and series of applications of Gandhis concepts of satyagraha to everyday situations with which most Western readers are familiar.Religious Studies This is a manual of instruction in the best sense: a popular reassessment of the activist use of satyagraha in conflict resolution that has depth and a true appreciation for the ethical subtleties of dialectical struggles, and for the multiple dimensions of passive resistance.Library Journal
