From Brand: Canadian Scholars Press : Gender Relations in Global Perspective: Essential Readings before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gender Relations in Global Perspective: Essential Readings:

Gender Relations in Global Perspective is truly multidisciplinary. It is partially drawn from the work of sociologists, but articles written by gender scholars from the disciplines of Cultural studies, history, political science, geography, and literary theory, are also included. The readings examine historically persistent, cross-culturally relevant, and

empirically grounded concerns such as men's position in the family and women's relationship to work, media and the global economy, as well as the gendered problems of violence, sexuality and reproduction, and racism.
