Maria J. De la Fuente, Ernesto J. Martn Peris, Neus J. Sans : Gente: nivel bsico, 2015 Release, Books a la Carte plus MySpanishLab -- Access Card Package (3rd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gente: nivel bsico, 2015 Release, Books a la Carte plus MySpanishLab -- Access Card Package (3rd Edition):

1 of 1 people found the following review helpful. Wildly OverpricedBy ElisaThis book is wildly overpriced for not even being a real book. I shouldn't have to pay over \$100 for a bunch of loose-leaf papers.7 of 7 people found the following review helpful. it is totally useless, and I can't return it because I had ...By Patrick FlynnI didn't realize the book was unbound. Instead it has holes where you can stick it in a binder. I went to 5 different shops and couldn't find the right sized binder, so now all I have is a bunch of loose leaf pages to study from. Plus the paper is so lightweight

that the pages will fly off the table from the wind caused by someone walking by. This has to be the dumbest idea in the history of publishing. If they are going to charge \$165 for a loose leaf book, at least they could include a binder. As is, it is totally useless, and I can't return it because I had to use the My Spanish Lab access right away for class. I also fault for not making it clearer what "Ala carte edition" means. Had I known, I never would have bought the book in the first place. Total waste of money. 0 of 1 people found the following review helpful. Don't hesitate, it is what the teacher required! By ScoutItem is exactly what the ISBN indicates. It is a loose leaf text that does require a binder (Note: This is the only way it comes from the publisher). And yes, it does indeed come with a new unopened access card for the lab! Great price,

0134244168 / 9780134244167 Gente: nivel bsico, 2015 Release, Books a la Carte plus MySpanishLab -- Access Card
