Following Gente: Nivel basico in its philosophy and task-based approach to teaching and learning a second language, with Gente: Nivel intermedio students learn intermediate level Spanish through interaction and collaborative work. Teaching Learning Experience Task-based Approach Learners are encouraged to collaboratively interact with authentic language through a series of carefully-sequenced communicative activities and real-life tasks. "Tasks are collaborative projects that integrate speaking, listening, reading and writing to complete them with the skills that are

needed to communicate effectively in the real world. With Gente: Nivel intermedio students learn by doing, communicate with a purpose and emerge as truly independent learners with the confidence to speak Spanish in a spontaneous, natural way.
