Great learning tool By patricia I used to study a page every day during breakfast to learn some words and found this very easy. The repetition and connections that can be made with later and similar words is most helpful, too. 0 of 1 people found the following review helpful. German Picture Dictionary By PLI

ordered the German Picture Dictionary title. The book arrived in perfect condition (just as they'd quoted) and the service was FAST! I'd order from them again. Thanks for having this out-of-print book.
