Andrey Taranov : German vocabulary for English speakers - 9000 words before purchasing it in order to gauge whether or not it would be worth my time, and all praised German vocabulary for English speakers - 9000 words:

3 of 3 people found the following review helpful. Straight from Google TranslateBy CustomerAll these TP books are identical-the same word lists, machine-translated. There is nothing specific to any of the languages that a "good" dictionary would have (German plurals, Polish or Russian aspects, etc.), because these are not written by any type of experts. People who know the language will tell you that the words are maybe 90% correct, but the 10% is enough to

make the book worthless. If you're just starting to learn the language, you might get misleading definitions!4 of 4 people found the following review helpful. excellent for selfstudyBy Sven DekeyzerExcellent book for someone who wants to learn basic and less basic German vocabulary in a short period of time. I bought this to prepare for the German B2-certificat exam. There are plenty of grammar books out there, but not many books on vocabulary. This one was excellent imo. One negative point: it could have been better if the author would have added the plural version of each word and also the tenses of the unregular verbs.2 of 2 people found the following review helpful. A great productBy RandallExactly what it claims to be. When learning a language think of the grammar as the engine and the vocab as the fuel. Once one gets a basic idea of the how sentences are structured all they need is to boost their vocab. These words would be enough for 99% of conversations you will have.

9000-WORD ENGLISH-GERMAN VOCABULARY Knowing and understanding around 9000 German words will give you the ability to read and write with only the minimal use of a dictionary. This knowledge will foster your ability to express your thoughts during conversation in a precise and accurate way. With a little practice and with the added help and experience of having viewed many German films, you will be proud and amazed at your new level of German. You will now see your language level improve to the point where you can say: German? Absolutely! I know it very well. TP Books vocabularies are intended to help you learn, memorize and review foreign words The dictionary contains over 9000 commonly used words Recommended as additional support material to any language course Meets the needs of both beginners and advanced learners Convenient for daily use, reviewing sessions and self-testing activities Allows you to assess your current vocabulary This book can also be used by foreign learners of English Special features of TP Books bilingual vocabularies: Words are arranged according to their meaning, not alphabetically Content is presented in three columns to facilitate the reviewing and self-testing processes Each theme is composed of small blocks of similar lexical units The vocabulary offers a convenient and simple transcription for each foreign word This revised edition (August 2013) contains 256 topics: Basic Concepts, Numbers, Colors, Months, Seasons, Units of Measurement, Clothing Accessories, Food Nutrition, Restaurant, Family Members, Relatives, Character, Feelings, Emotions, Diseases, City, Town, Sightseeing, Shopping, Money, House, Home, Office, Working in the Office, Marketing, Sports, Education, Computer, Internet, Tools, Nature, Countries, Nationalities and more Our German collection includes also vocabularies of 3000, 5000 and 7000 words. All these titles are available as printed books and e-books. For more information please visit www.tpbooks.com.
