**From Praeger : Gerontology [2 volumes]: Changes, Challenges, and Solutions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gerontology [2 volumes]: Changes, Challenges, and Solutions:

Written by established and emerging leaders in a broad array of disciplines, this two-volume set provides undergraduate and graduate students, scholars, professionals, and policymakers with an overview of the field of aging

that examines the social landscape as well as key changes, challenges, and solutions. Provides an up-to-date, multidisciplinary, and forward-thinking look at the key areas and issues in gerontology Highlights links between topics and relevant demographic, social, economic, and health trends with implications for immediate and long-range work in aging Includes contributions from experts in the fields of sociology, psychology, medicine, education, politics, and government Identifies the key changes, challenges, and solutions in each subfield Includes an appendix containing lists of descriptions and contact information for aging organizations as well as an annotated list of documentaries about aging

"This title makes a meaningful contribution to the humanitarian future and compassionate care of senior citizens. . . . This contribution is essential for twenty-first century trends in psychology, social work, nursing, physical therapy, business, and sociology, etc. High schools, community colleges, and universities will value this set as an essential addition to their library reference shelves. Healthcare professionals, organizations, and public libraries will also benefit from purchasing this timely publication as a reference book." - ARBA About the Author Madonna Harrington Meyer, PhD, is professor and chair of sociology at Syracuse University, Syracuse, NY. Elizabeth A. Daniele, MS, is a doctoral student and fellow in sociology at Syracuse University as well as coeditor of Student Involvement and Academic Outcomes: Implications for Diverse Student Populations.
