Scott Schwefel : Get a Job Fast before purchasing it in order to gauge whether or not it would be worth my time, and all praised Get a Job Fast:

Immediately I reached out to my vast and amazing network of friends and colleagues. One of the first to respond was Scott Schwefel. In that first week following this layoff we met for coffee, he gave me a copy of his book "Get a Job Fast!", and encouraged me to take the Insights Discovery Profile. All of these have been extremely helpful in this journey to discover the next stage of

my career and my life. What helped most was doing the exercises in Scott's book. In answering the questions and challenges posed I came to realize that my heart's desire really was to create my own way of living and working in the world. Since then I have been cobbling together a living doing mostly what I love to do. I am happier than I've been in years and filled with abundant gratitude to Scott for his time and advice.
