Not what i was expecting
By Manuel Figueroa
The picture in the cover its awesome, but the contest was disappointing, it says the he is going to show you all the styles in bowties, there are dozens, he only shows three, i was expecting to learn more from the bowtie world but no,, i was reading what you can get for free in the internet, nothing new. Even the author's picture in the back of the book its so dark that it looks like he is in a witness protection program.

There is a newer, updated edition of this book available here:

[amazon.com/dp/1503079627](https://www.amazon.com/dp/1503079627)-----"Get Ready For The Bow Tie Revolution! Everything You Need To Know About Bow Ties Today"2014 Edition - Part 2 of the 'Men's Fashion Series'Everyone is talking about Bow Ties lately - men's fashion blogs around the world are promoting them, they are being featured on the most popular TV shows and they are often trending on Twitter. It didn't take long before they started appearing on your favorite actors and singers, and possibly even on the necks of some of your more daring and fashion forward friends! Is it time for you to jump aboard this 'bow ties train'? Table of Contents consists of:1. Are bow ties coming back?2. Types of bow ties3. Where and how to buy bow ties4. Where to wear bow ties?5. Color matching your bow tie - how to do it right6. How to match bow ties with pocket squares and suspenders7. How to tie a bow tie step by step

From the Author
Are bow ties just a fad, or is the bow tie popularity here to stay? We discuss this particular question of men's fashion critics today in Chapter 1. In Chapters 2 and 3 you will learn what types of bow ties for men exist in the market today, and how to choose the right ones for you. And in Chapter 4 you will find out which formal functions require that you wear a bow tie and should you wear them in the office or not. Whether bow ties are professional enough to be worn in the office will depend on two factors. Miss these and you might end up looking silly. How to match color(s) of your bow tie with the rest of your outfit is explained in Chapter 5 as well as what is the meaning of each color. Should you wear bow ties with pocket squares and suspenders? Find out our tips in Chapter 6. Final Chapter will teach you how to become an expert in tying your bow tie. We provide graphical and textual instructions how to tie a bow tie, so you get it right with just a little bit of practice. Tips that you will find in this book are very practical. There is some theory explained, but kept to the bare minimum. The purpose of the advice given is for you to absorb them as quickly as possible and take action. I believe that after you have built-in bow ties into your wardrobe, there's no reason why they cannot become the perfect day-to-day accessory, giving you an extremely individualized, adaptable and chic look. Enjoy the reading as well as the results after the implementation of learning from this book, because Bow Ties Are Cool!
Mark Davids
About the Author
My favorite quotes about bow ties (by Mark Davids)
Most men who wear bow ties do so because most men don't. (Abbott Combes)
Bow ties are cool. (Doctor Who)
Wearing a bow tie is a statement. Almost an act of defiance. (Rick Kaplan)
