That Interview: Create a CV and cover letter that grabs the attention and interest of hiring managers:

Create a CV that works for you... not against you... Are you frustrated with sending your CV out and never hearing back from anyone? Are you really good at what you do, but just unable to get any interviews? Are you stumped to know what else to do? Do you just wish you could get in front of someone so they could SEE how great you are for the job? Then give yourself one of the most powerful as well as one of the simplest and most affordable tools to opening new doors in your career. Easily and reliably. Forget what you think you know. What it takes is a different type of CV. Here, for the first time, I reveal all of my secrets and share with you how I have done it successfully, for people like you, thousands of times before. A CV that leverages your talents in new ways and really utilises the power of social media. When your CV speaks for itself then the interviews will follow, allowing you to do the rest. In your hands is a comprehensive book that teaches you how to grab the attention, and stir the interest, of your dream employer. Includes a Quick Start Guide to creating a CV that will get you that interview! Change your CV from a barrier to a bridge.

About the Author Author of 'Clickst@rt Your Career' and 'Get That Interview' Julie is The Job Seeker's Guide. She works with thousands of clients through her audio and web-based programmes, helping them get 'job search fit' and successfully navigate their way into that new role Before joining Churchill Brook in 2009, she spent twelve years as an international headhunter, where she successfully helped her clients recruit exceptionally well-matched people, who were passionate about doing a job well done. Julie is an expert at getting candidates noticed by companies and had one of the highest success ratios for CV submission to hire that we know of within the recruitment industry.
