Mary-Lane Kamberg : Getting a Job in Law Enforcement, Security, and Corrections (Job Basics: Getting the Job You Need) before purchasing it in order to gage whether or not it would be worth my time, and all praised Getting a Job in Law Enforcement, Security, and Corrections (Job Basics: Getting the Job You Need):

0 of 1 people found the following review helpful. Five StarsBy Brookfield Public Library - BFS-Perfect.

A career in law enforcement, security, or corrections is a valuable and exciting path. This guide helps readers achieve that goal by sharing some of the basic skills and ideas behind the journey to settling into a career in one of these areas. It provides helpful tips on drafting a perfect resume and cover letter, how to approach any interview successfully, and what to do after you've landed your dream job. A great resource for any reader who isn't necessarily college bound.

From School Library JournalGr 7-10-Written in a clear, straightforward style, this series assumes readers have no prior knowledge of the featured vocations. In five or six thorough chapters per volume, the authors offer overviews of various fields and the choices students entering them need to consider. The chapters continue with the steps readers can do now to prepare, and what will be expected later. Finding a job, interviewing, paperwork, and what perspective workers will learn on the job are all discussed. The main texts can sometimes look squeezed and the spacing odd. The books contain attractive, captioned color photos; headings; fairly large font; and sidebars with additional information. (c) Copyright 2013. Library Journal.
