pretty topical and maybe helpful. So why is it that most of the extra review parts are missing. You mean there is not a single person selling a news or used copy of this? Not one? And no reviews written in 5 yrs? It really begs the imagination. Makes me wonder if this is part of that nasty little war I hear has going with publishers who won't cut a bigger piece of the pie for . Eeww. My favorite website is acting like an imperialist pig!
