CQ Researcher : Global Issues: Selections from CQ Researcher (2015 Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Global Issues: Selections from CQ Researcher (2015 Edition):

0 of 0 people found the following review helpful. Five StarsBy Customergreat condition0 of 0 people found the following review helpful. Good TextbookBy DonnaFor a textbook, it has a lot of statistical information. Lots of graphics and supporting photography to make the issues easier to understand.0 of 0 people found the following review helpful. A great read to get an overview on a variety of ...By CustomerA great read to get an overview on a variety of issues and find resources for more in depth study. Gives great background on modern topics, though additional research is necessary to understand the most current implications.

CQ Researchers Global Issues offers an in-depth and nuanced look at a wide range of todays most pressing issues. The 2015 edition of this annual reader looks at topics such as Russias resurgence, global hunger, U.S. global engagement,

transnational crime, and al Qaeda's continuing threat. And because its CQ Researcher, the reports are expertly researched and written. Each chapter identifies the key players, explores what's at stake, and offers the background and analysis necessary to understand how past and current developments impact the future of each issue.

As an English professor, I adopted *Global Issues* for my Honors writing class on the recommendation of a colleague in International Relations. It gave my first-year students plenty to think about balanced analyses of important concerns, as well as a level of complexity that woke them up to college-level expectations. I used the book again the following year, again with satisfaction; and I look forward to using an e-book of selected chapters this fall in my Honors capstone course, *Problems in the Modern World*, to provoke more sophisticated discussions and original research. -- Jay Paul, Christopher Newport University

Global Issues is a tremendous asset to any course on government and world affairs. Complex issues are presented in such a manner that students are eager and able to absorb the information effectively. Students become truly engaged in current issues and appreciate the analysis of these issues from multiple angles. This book is a must-have for any course with a focus on world affairs. --Mary Anderson, University of Tampa

About the Author

CQ Researcher is the choice of librarians, researchers, and students seeking original, comprehensive reporting and analysis on the most vital issues shaping our world. Each weekly report offers in-depth, unbiased coverage of a single topic. Written by CQ Press's staff of experienced reporters, these reports provide up-to-date information on a wide range of social, economic, political, environmental, and international issues.
