It is better to avoid this book, and save your time and money. You will be better off analysing the arguments in your own!0 of 0 people found the following review helpful. Five StarsBy Robab AlizadehGOOD0 of 0 people found the following review helpful. Good bookBy Antony JosephThis is a good buy but as somebody who gave GMAT, the essays are probably the least important part.if you have enough time, read the book because it will give you an idea about all possible questions GMAT can throw at you. These essays are really good and you probably don't need to be this good.
