Test) (GMAT Test Preparation):

REAs GMAT Test Prep Gets You a High Score! The best test preparation and review for students preparing for admission to MBA programs and graduate business schools. REA's GMAT test preparation book contains comprehensive reviews for Essay Writing, Math/Quantitative, and Verbal sections, as well as tips and strategies for taking computer-adaptive tests. The book includes six practice exams with detailed explanations to every answer. All questions are based on official exams released by the administrator of the GMAT exams. For students without access to a computer, the practice exams were designed to provide a score that is comparable to what they would receive on the actual computer-adaptive test.
