There are better options available. 0 of 0 people found the following review helpful. Must Own Book For Sentence Correction By Customer This book has made a world of difference. It does start off by going over some very elementary material (i.e., nouns, pronouns, adjectives, etc.), but then it quickly builds off of these fundamental concepts and gets into the meat on how the GMAT sentence correction is tested. If you are studying for the GMAT and need help with sentence correction, this is the only book you'll need. 0 of 0 people found the following review helpful. If you're aiming for a mediocre score, this book isn't for you. By Peter By far the best GMAT verbal product for sentence correction in the industry. If you are struggling with SC, CR, or RC: I highly recommend visiting the Aristotle prep website and getting private tutoring from their

company as well. The team at Aristotle Prep is truly the best of the best in GMAT verbal preparation.

The only book you need to ace the GMAT Sentence Correction From the Back Cover of the book The GMAT Sentence Correction Grail is a path breaking book that takes a structured approach to teach you sentence correction for the GMAT. The book spans more than 300 pages and is divided into five parts: Part 1 - Basic Grammar Review Reviews the necessary grammar concepts to build a strong foundation Part 2 - Sentence Correction Error Types In-depth coverage of all the Sentence Correction error types- subject-verb agreement, pronouns, modifiers, idioms, verb tense, parallelism, comparisons Part 3- Miscellaneous Sentence Correction Errors Discusses the GMAT likes and dislikes -what to prefer and what to avoid. Part 4- Question bank Exclusive Practice Set of 125 questions to help you apply the concepts learnt in previous chapters Part 5 - Quick Revision Summarizes all the topics to help you revise everything quickly. How is this book superior to any other book for Sentence Correction? Covers the entire gamut of concepts tested on Sentence Correction, from the most basic ones such as nouns and verbs to the more advanced ones such as Ellipsis and Adverbial Modifiers Helps you master sentence correction in a step-by-step manner. The book first helps you build a strong grammatical foundation, then addresses the error types in depth and finally lets you apply and fine tune the concepts learnt on 125 GMAT-like practice questions Provides Targeted Practice drills at the end of each chapter for conceptual clarity Does not just give pages of theory but also helps you understand how a concept is tested on actual GMAT questions by referencing the Official Guide for GMAT Review 13th or the 12th edition whenever necessary Devotes an entire section to what the GMAT likes and dislikes between two options such as whether and if, like and as, will and would, etc.

"I found Aristotle Prep most helpful. I used both Aristotle Manhattan SC and liked SC Grail more" -Kevin Stumpf, GMAT 760(V-44,Q-50), Stanford GSB Class of 2015 Admit
