I read this book in 1976 and have used its methods ever since for advancement and enrichment. You will probably not believe that a dozen or fifty "information interviews" -- without applying for a job! -- will create a buzz and before long result in a phone call from some top executive you never heard of, asking you to please consider accepting a job beyond your dreams. This method has worked for me a dozen times in the last forty years. Read it now -- twice -- even if you are not yet thinking of drastically improving your life. 0 of 0 people found the following review helpful. MIRACLE WORKING BOOK Your unwill get a job and one you me joy most likely. I give it 101 stars By Mary Ann Rodgers GREAT OLD AND UNIQUE , BEST JOB SEEKING HELP EV . THE ONLY ONE WITH THE APPROACH TO LET YOU MEET BOSS FIRST AND SEE THE NHELP HE NEEDS . THEN COME BACK READY . I GET JOBS OUT OF THE PHONE BOOK WHEN THERE IS NO JOB NEEDED TILL THIS BOOK SHOWED ME HOW TO GET HIRED ANYWAY. I TEACH BUSINESS COLLEGE FROM THIS BOOK,! No competition . Read it what you do if you want a job of ay our choices ce. May take time but they refer your u to their friends too ! 0 of 0 people found the following review helpful. Don't just get a job, get even -- when you interview By m dorsher A generation before there was Liz Ryan, Linked-In's job-getting guru and second-most-popular columnist, there was Dick Irish, the original advocate for job seekers. In this seminal work, Irish maps

out not only how to get a job -- but how to nail down a job worth getting.
