**From Ebury Press : Good Pub Guide 2017** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Good Pub Guide 2017:

2 of 2 people found the following review helpful. Good book, terrible kindle version  
By Gregory M. Locock  
Nothing wrong with the Good Pub Guide, but the kindle version is appalling. The search function is unable to find the locality or the name of the pub, because they are in some fancy font. For example try and find the main entry for The Beehive in White Waltham using search. It only shows up in an appendix. If you spend a boring few minutes looking through the main text there it is, but as I said, search doesn't find it.  
1 of 1 people found the following review helpful. Save your money  
By C. M. Smith  
Most disappointing. In the region we visited (Cotswolds) most of the guide's recommended establishments were not what I would class as pubs at all, being mainly restaurants or hotels with a bar. The readers recommendations were better but far and away the best place we found was not in the book at all. Save your money and trust your own instincts.

The 35th edition of this much-loved guide is as invaluable as ever. Organized county by county, its comprehensive yearly updates and countless reader recommendations ensure that only the very best pubs make the grade. Here you will not only find classic country pubs, town centre inns, riverside retreats and historic havens, but also popular newcomers including gastro pubs and pubs specialising in malt whisky and craft beer. Discover the top pubs in each county for beer, food and accommodation, and find out the winners of the coveted titles of Pub of the Year and Landlord of the Year. Packed with hidden gems, The Good Pub Guide provides a wealth of honest, entertaining, up-to-date and indispensable information.

"The Good Pub Guide is an essential reference" \* Daily Mail \* "Invaluable" \* Sunday Telegraph \* "The pub lovers' annual manual" \* Guardian \* "The UK pubgoers' Bible" \* Daily Mail \* About the Author
