Common errors are cited with correctionsall very helpful.3 of 3 people found the following review helpful. great for your college-bound senior!By A CustomerI bought this book for my daughter. She is in the college application process, and the student essay was really stressing her out. (There is so much hype and conflicting

information from school, guidance, and the other kids!) The information in this book was perfect -- it's not essays to copy, but a true "how-to" on writing winning essays, step-by-step. The examples are clear and totally geared to the student-reader. The advice is practical and easy to follow -- right down to the steps for submitting the application online. A real bargain!!

With more qualified students than ever, competition for top-notch colleges is at an all-time high. In addition to impeccable grades and high test scores, students need to write an intelligent, concise essay to gain admission. It's vital to get the tools and strategies necessary for crafting a winning essay. Learn the goof-proof way to write specific types of essays, along with rules, tips, and do's and don'ts.
