**Peterson's : Grad Guides Book 2:Hum/Arts/Soc Sci 2005 (Peterson's Graduate Programs in the Humanities, Arts Social Sciences)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Grad Guides Book 2:Hum/Arts/Soc Sci 2005 (Peterson's Graduate Programs in the Humanities, Arts Social Sciences):

The six volumes of Petersons Annual Guides to Graduate Study, the only annually updated reference work of its kind, provide wide-ranging information on the graduate and professional programs offered by accredited colleges and

universities in the United States and U.S. territories and those in Canada, Mexico, Europe, and Africa that are accredited by U.S. accrediting bodies. Books 2 through 6 are divided into sections that contain one or more directories devoted to individual programs in a particular field. Book 2 contains programs of study in humanities, the arts, and social sciences.

From the Publisher  
**FEATURES AND BENEFITS** -There are no other graduate guides that offer all the information our books offer -Two-page In-Depth Descriptions written by the institution give complete details on graduate study - Advice on applying to graduate school and financing graduate education -Directories list programs in each volume
