worth my time, and all praised Grammar Practice Activities Paperback with CD-ROM: A Practical Guide for Teachers (Cambridge Handbooks for Language Teachers):

2 of 2 people found the following review helpful. Very practical  
By linda Newton  
I had one of Penny Urr's Grammar Practice activities years ago which I gave away, so knew this new edition was likely to be a very practical resource. I am delighted with it. Just as the author intended, you are able to look up a particular grammar point being covered in class, and quickly find a practical activity at the level of your students (and often more than one) which adds interest to the class, gives students excellent practice and reinforces the grammar. Exactly what ESOL teachers need. I am delighted with it and the additional activities it includes, including the CD Rom with user friendly photocopy versions. Penny Urr is a very experienced ESOL teacher who knows what works in the classroom and will interest learners.  
4 of 4 people found the following review helpful. Grammar Practice Activities with CD-ROM  
By Msr. Nomdeplume  
Oh man, do I like this book! Most ESL students would rather have teeth pulled than to have to learn English grammar, but this book can make learning fun. Adaptable to pairs or groups, most age groups, and most levels of ability. The BW pictures in the book are helpful, but the CD makes it easy to print out a flawless copy you can take to the photocopier. With a little preparation and adaptation, this is a painless way to weave a fun grammar activity into a lesson.

Do not know why it took 7 ...  
By amy bielat  
Excellent book  
Do not know why it took 7 weeks to get to me.

First published in 1988, Grammar Practice Activities is a language teaching classic. This revised version combines tried and tested activities with up-to-date content including a CD-ROM. This is an invaluable resource for any teacher who wishes to combine grammar teaching with a broadly communicative methodology. The book contains a collection of imaginative and interesting grammar practice activities suitable for a wide range of levels and ages. Clear teaching notes accompany each activity ensuring they are easy to use. In addition, the accompanying CD-ROM provides print-ready photocopyable worksheets which can be put to immediate use in the classroom.

'For new teachers, these activities provide a wonderful source of ideas for grammar practice and even the most creative and experienced teachers will find many new activities and stimulating ideas.' ELT Journal
