Mark S. Davis : Grantsmanship for Criminal Justice and Criminology before purchasing it in order to gage whether or not it would be worth my time, and all praised Grantsmanship for Criminal Justice and Criminology:

locating new sources of public and private funding as well as how to: formulate and state a problem that argues for funding; describe the methods for addressing the problem; clearly state measurable objectives; propose a comprehensive evaluation plan; succinctly describe the applicants qualifications; detail and defend a budget; and solicit meaningful letters of support.
