From Gramercy : Great American Speeches (Library of Freedom) before purchasing it in order to gage whether or not it would be worth my time, and all praised Great American Speeches (Library of Freedom):

0 of 0 people found the following review helpful. Great American Speeches By A. Le Mone This is an important volume of reproduced primary resources. For those who take history seriously, for those teaching that subject from Middle school through graduate courses, this volume is an indispensable addition to their personal libraries. It is always valuable to read the original texts of American oration, whether one is in favor the the persons' points of view or not.

Great American Speeches provides a unique insight into the perspectives, insights and philosophies of those addressing an American audience during several periods of this country's unique history. It is an extraordinary book and more such texts need to be made available in time to come. 1 of 1 people found the following review helpful. American Speeches By Timothy Mills Great American Speeches (Library of Freedom) How many snippets of speeches do we know? "I have a dream;" "Give me liberty or give me death;" "Four-score and seven years ago ..." are just a few. Did you ever wish you had the full text of the speech? Here is a good source for the full text of these famous bits of Americana. Students of American history need to understand the words that formed America as it was and is. Teachers of American history have here a source for the information to show their pupils why we are the America we are. For a low price, this is a valuable resource. 0 of 0 people found the following review helpful. Books are awesome! By Mengfei Li I have been collecting speeches from the past. This book is an eye-opener. I know my students and I will love it. If you are into history, you have to have one.

Introductions by Gregory Suriano. Great collection of important American speeches from the Revolutionary War to the present. Covers specific topics in American history from slavery to environmental issues. Each speech preceded by an introduction. Includes George Washington, Thomas Jefferson, Frederick Douglass, Franklin Roosevelt, John F. Kennedy, Martin Luther King, Jr. 320 pages.
