Most everyone wanted advanced degrees. Places in DC to get them; just not practical.

Each book in the "Great Jobs for..." series helps students discover new employment possibilities, assess strengths and interests, and develop a path for advancement and success in a chosen field. Ideal for those exploring which major to take in college.

From the Back Cover "What can I do with a degree in political science?" If you've recently graduated with a degree in political science, you may be unsure of how to put that degree to use in the real world. While one of the most popular areas of study today, political science at first glance might not seem to transfer well from classroom to career. With *Great Jobs for Political Science Majors*, however, you'll find out just how valuable and versatile your degree really is. Designed to help you put your major to work, this handy guide covers both the basics of a job search as well as detailed profiles of possible careers in your field. From attorney to government official, journalist to policy analyst, you'll explore a variety of job options for political science majors--including some you never knew existed--to determine the best fit for your personal, professional, and practical needs. In this updated edition, you'll find:

- Thorough explanations of job-search basics such as crafting resumes, writing cover letters, and interviewing dos and don'ts
- Revealing self-assessments to help you determine your best professional fit
- Investigative tools to help you uncover those jobs that will make the most of your major
- Networking tips to get your face out in the field and your foot in the door before the resume is even sent
- True-life tales from practicing professionals who detail what daily life on the job is really like
- Up-to-date statistics on earnings, advancement, and the overall career outlook

With the information and inspiration packed into *Great Jobs for Political Science Majors*, you'll discover how to explore your professional options, target your ideal career, and use your college major as an asset in landing your dream job.
