**Jordi Vigue : Great Women Masters of Art (Great Masters of Art)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Women Masters of Art (Great Masters of Art):

0 of 0 people found the following review helpful. amazing!By Angie LundI liked this book a lot. I knew very little about women in art in the renaissance period (which is what I got this book to read up on). Didn't really care for the shape of the book (tall and skinny), but can't hold that against the content.2 of 2 people found the following review helpful. Very readableBy CuriousWorks have been noted by Prestel and other publishers that are neither as inclusive, nor as useful. The author here has selected a large number of woman artists both known and unknown to me with reasonable biographies, maybe 4 to 8 representative works, each reproduced with high-quality illustrations and these generally with reasonable texts concerning these works.Some might seek to add or subtract some artists, but I would contend that one is not likely to find any work that is superior to this one.0 of 0 people found the following review helpful. Grea Woman Master of Art, bookBy Connie D.I originally read this book from the library. I decided I wanted it for my collection so I bought it on . Unfortunately it came damaged which was too bad because it was a pristine copy. I didn't return it to the vendor because it was for my use only and the damage was minor; it didn't keep me from reading it.

An entertaining, informative, and inspirational look at the greatest women artists of all time! The latest entry in the new Great Masters of Art series, Great Women Masters of Art is an affordable, easy-to-use guide featuring the life and work of the greatest women painters of Western art—from the 15th century to the present day. Legendary women painters of each key historical movement are included, such as Sofonisba Anguissola, Artemisia Gentileschi, Judith Leyster, Mary Cassatt, Georgia O'Keeffe, Gwen John, Frida Kahlo, and dozens more. Each artist is represented by several impressive reproductions of her most significant works, alongside a biographical timeline and brief history of her life and career. Every dazzling, full-color reproduction includes cultural and aesthetic discussions about the individual painting. Plus, entertaining anecdotes and stories bring each woman's inspirations, circumstances, and creative genius to life. This one-stop guide is appealing, compact, lavishly illustrated, and conveniently organized for fast and easy use. Great Women Masters of Art is an enjoyable trip for all.

About the AuthorJordi Vigu studied medieval history at the University of Barcelona and the Sorbonne in Paris. He has published numerous monographs and magazine articles on art and has edited a number of encyclopedias. He lives in Barcelona, Spain.
