**Simon Greenwood : Greenwood Guide to South Africa: Hand-picked Accommodation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Greenwood Guide to South Africa: Hand-

picked Accommodation:

The Greenwood Guide to South Africa is the only guide to small (1-20 rooms), good-value, intimate, interesting and unusual, off-the-beaten track but, above all, friendly places to stay in South Africa. It's the perfect companion for those sick of homogenous over-priced hotel rooms or half-hearted guest houses. It covers BBs, Guest-houses, Game Lodges, Farms, Self-contained Cottages and more.
