review helpful. EXCELLENT BOOK ON EFFECTIVE COMMUNICATIONS IN SMALL GROUPSBy AMBIThe book is well written and understandable and addresses in a concise manner an understanding of the dynamics in small group communications. Provides perspectives and methods to enhance one's posture in small group communications.

Practical and concise, this book offers specific techniques to make small group interactions more effective and efficient. *Groups in Process* continues to balance traditional and progressive approaches to teaching small group communication, drawing together the best of current research and thought on leadership, problem solving, and conflict management. Thorough and up-to-date, this book serves as a bridge between discussion-based texts and newer, interpersonal perspectives. Its straightforward presentation translates theory into practice with a plenitude of real-world examples. For those interested in Small Group Communication.
