From Information Plus : Growing Old in America (Information Plus Reference Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Growing Old in America (Information Plus Reference Series):

Explores the current condition of growing old in the United States. Includes the economic status of older people; Medicare and Medicaid; the living arrangements of older adults; working and retirement; and the education levels, voting trends, and political behavior of older Americans. Physical and mental health problems; drug and alcohol abuse; care for seniors; crime; and death and dying are also covered.

About the AuthorBarbara Wexler is a medical writer and chronic disease epidemiologist who brings more than 25

years of experience as a clinician, researcher, educator and administrator to the articles and texts she prepares for professional and consumer audiences. She is a graduate of Sarah Lawrence College and the Yale University College of Medicine, School of Epidemiology and Public Health.
