Gaylene Becker : Growing Old in Silence before purchasing it in order to gauge whether or not it would be worth my time, and all praised Growing Old in Silence:

"This sensitive and well-written anthropological study of the aged deaf describes a vital subculture of disabled persons . . . Thought provoking implications are drawn from the deaf aged for the more general experience of being old in

America."

About the AuthorGay Becker is Professor in Residence, Medical Anthropology and Social and Behavioral Sciences, UCSF.
