1 of 1 people found the following review helpful. Fantastic Halloween Art! By Bill Noon
Gorgeous colorful, detailed Halloween illustrations all through the variety of inventive fun puzzles!! The cover doesn't do the book justice. The other really sumptuously and colorfully illustratated Halloween themed puzzle book is "The Offically Awesome Scooby" spooky activity and puzzle and mazes...Two great finds for me!

Get ready for a rib-tickling Halloween funfest. Editor Jeff O'Hare has assembled the most amusing bunch of puzzles, games, jokes, and other comical nonsense--all around a Halloween theme. Find secret-code puzzles, mazes, word searches, Hidden Pictures, word scrambles, as well as solve-the-mystery stories, costume and trick-or-treat ideas, and

silly riddles. A must for all little ghosts and goblins. An answer key is provided in the back.
